County Air Raid Test Of Bombing, Fire, Casualties, Called "Very Successful"

Sunday's test of the Adams County Civil Defense organization was reported to be "very successful," by CD officials. It included the burning of a house, barn and sheds.

Upwards of 500 countians participated in the drill in various official ways and "practically everyone" took part when the sirens and bells sounded a "red alert" and an "all clear" for the public at 1 and 1:05 o'clock, respectively, Sunday afternoon.

William G. Weaver, county CD Director, praised countians for their cooperation. Countians took to cover when the alarm was sounded. Traffic was halted in all communities, and householders drew their blinds and shades.

Weaver, Harry M. Fasick, York Springs CD Director; who headed the welfare section of the test in the absence of Welfare Chief John MacPhail; Charles W. Culp Jr., County CD Police Chief and John W. Mullen, Hanover R. 4, county CD Fire Chief, all expressed their appreciation for the "splendid cooperation of the members of their organizations and the public."

Raid, Fire Bombs

The problem called for "an air raid in which fire bombs were dropped on property near New Oxford resulting in a number of casualties."

A "yellow" alert was simulated at noon and a few moments later the Civil Defense-Firemen's radio network went into operation with Head Operator Eugene Sickles on duty at Station No. 1 here and with Station No. 2 at Littlestown augmenting the relaying of messages to and from the radios in fire engines throughout the county.

Culp said approximately 200 auxiliary police served near their homes at industries and utilities which they are assigned to guard and approximately 40 reported for duty with the "disaster problem" at New Oxford.

Mullen reported 19 fire companies had 22 pieces of equipment at the disaster test, held at the Alwine Brick quarry. A mass Care center was set up at the New Oxford fire engine house.

Cover Wide Area

Mullen said an area of approximately a mile and a half was covered by the firemen. Biglerville firemen were placed at the scene of the fire and a relay a quarter mile long was set up with Fairfield firemen pumping from a pond. Gettysburg fire equipment was hooked up in the relay and individually, the Littlestown fire truck was hooked up at a pond near the Alwine Brick plant. Other companies were also brought to that site, prepared to act in case of an emergency. Barlow, Bonneaville and other companies whose trucks had large tanks of water were dispatched to various areas about the "fire center" to provide protection to other property.

Among the companies represented at the brick yard test were: Kingsdale, Centennial, Brushtown, Irishtown, Conewago, McSherrystown, Abbottstown, Gettysburg, Bonneaville, East Berlin, Littlestown, Biglerville, Fairfield, York Springs, Barlow, Arendtsville, Aspers and Bendersville.

The fire trucks were called by radio after the "all clear" sounded. The all clear came at 1:05 o'clock, and the last fire truck was at the scene, from Bendersville, at 1:36 o'clock.

Mullen paid tribute to the Cashion, Fountaindale and Hampton companies which stood by at their home communities to give service there or elsewhere if needed.

20 At Disaster

Approximately 200 firemen and fire police were at the scene of the "disaster." The Hanover rescue truck served as "coffee wagon." The Gettysburg rescue truck, New Oxford ambulance and the McSherrystown rescue truck served as "on the scene" first aid centers and were manned by the Red Cross disaster unit as well as firemen. Approximately 20 Boy Scouts from New Oxford served as casualties and evacuees. The scouts were labeled with injuries that ranged up to broken backs. Nurses aides and others gave treatment at the scene and at the mass care center in New Oxford to which the "casualties" were removed for further care and information.

York Springs and New Oxford provided the welfare section of the CD test. From York Springs were Mr. Fasick, Nettie Bower, director of the welfare unit for York Springs; Mrs. C. F. Brinkerhoff, deputy for feeding; Miss Lorene Leer, Mrs. Mabel Leer, Miss Mary Myers, Miss

48-Year-Old Uncle Kills His Eleven-Year-Old Niece

LEBANON, Mo. (AP)—A mild-mannered bookkeeper who developed an infatuation for his pretty 11-year-old niece admitted last night that he killed her. Then he fled officers on a 226-mile hunt for the body.

Police found the fully clothed body of Jeannette Earner about four miles east of here in a pile of leaves just off U.S. Highway 66. The schoolgirl, missing from her Fort Worth, Tex., home since last Tuesday, had been shot in the right temple.

Her uncle, Thurman Priest, 48, of Grand Prairie, Tex., is charged with kidnapping.

Sheriff Bill Decker quoted Priest as saying:

"I was afraid the family was going to take the girl away from me. If I couldn't have her, no one else could."

The child's mother recently restricted Priest's visits with the girl.

Sheriff Decker quoted Priest as saying he had "struggled with the girl in the woods, blacked out and heard an explosion."

"The next thing I knew she was lying there dead."

M'SHERRYSTOWN STOCKHOLDERS MAY LIQUIDATE BANKING HOUSE

The shareholders of the Farmers Bank of McSherrystown have been mailed notices of a special meeting December 2 at McSherrystown to act on a proposal of their board of directors to "voluntarily liquidate" the McSherrystown bank.

The proposal was adopted by the bank's board of directors at a meeting November 10, it is revealed in the notices which were received by the shareholders over the weekend.

The stockholders also will be asked to consider a "Plan of Liquidation" which was adopted at the same meeting of the bank's directors and will consider an "agreement between Farmers Bank of McSherrystown and Littlestown State Bank executed in furtherance of said Plan of Liquidation."

Not All Details Available

No information was available today on the details of the Plan of Liquidation or what action the Littlestown Bank plans in connection with the liquidation of the McSherrystown bank other than a statement that the stockholders of the Littlestown Bank may have decisions to make in the matter at a future meeting.

If the Plan of Liquidation is approved at the meeting December 2 of the McSherrystown stockholders, three persons will be elected to serve as liquidating agents and would be authorized to "do all things necessary to complete the liquidation."

Two Does Killed On County Highways

Two does were struck and killed by motorists on the Lincoln Highway near New Oxford over the weekend.

Saturday night at 11:45 o'clock an unknown motorist struck a doe near Cross Keys, in Hamilton Twp. The animal was turned over to Deputy Game Protector Eugene Uttech. Sunday evening at 6 o'clock, M. G. Boyer, Hagerstown, reported striking a doe west of New Oxford near Swift Run.

Priest told detectives and a newspaperman that after leaving Fort Worth he drank heavily. He said Jeannette had left Texas willingly with him and they were going to Ohio and then send for his wife and his 18-year-old daughter.

Mrs. Priest is a sister of Jeannette's mother. She and Priest were married about a year ago. His 18-year-old daughter is by a previous marriage.

Prosecutor Edgar Mayfield planned to file first-degree murder charges against Priest, who is held in jail at Marshfield, about 30 miles from here.

auto at the girls with intent to do bodily injury.

The two young women had told in court of walking home from East Berlin, of an auto passing them a number of times, of questions from the occupants of the car whether they wished a ride, of a car coming at them at great speed forcing them to leap from the road, and of a flight through fields while the car continued to move up and down the road as a searchlight was played into the fields from the auto.

Denied Attempt To Hit Them

In the charge the court held that "it is no crime at any time to stop and ask anyone to take a ride in a car" and "even though the boys did make themselves a nuisance and harass the girls, the charge is one of assault and the question is whether they did attempt to do bodily harm on the girls by driving at them with the car." The court concluded "frequently a jury is apt in these cases to try the defendant on something other than the point of the case."

Both youths had admitted driving past the girls a number of times in Reichenberg's car, and with using a searchlight. They admitted asking the girls once if they wanted a ride, but denied that they had driven their car at them or forced them to leap off the road.

Start New Case

Attorney Hartman in his argument to the jury made much of the testimony of the two young women that the Reichenberg car, with March as a passenger, passed them headed toward East Berlin on the East Berlin-Abbottstown Rd., and when by the time they had walked "about two blocks" on the New Oxford Rd., the car appeared headed from New Oxford and attempted to run them down. Hartman argued that the Reichenberg car could not have gotten to that spot within the short space of time, and argued that perhaps some other car had been the one to make the attempt to "run down."

When the Reichenberg case was completed, trial was started in the incident assault and battery charge against Carl Di Nunzio, Boyertown. The offense, against an eight-year-old girl, is alleged to have occurred in McSherrystown. The jury includes Paul W. Littleton, Chambersburg St.; Ralph W. Boyer, East Berlin; Milton E. Harner, Littlestown; Fred Baker, Biglerville R. 1; Paul McKenrick, Orrtanna; Charles E. Alwine, New Oxford; Rebecca Fox, Littlestown; Jerry Spence, Gettysburg R. 2; Mrs. Elizabeth M. Beard, 41 E. Lincoln Ave.; Mrs. Elsie J. Kimpel, Gettysburg R. 2; Mrs. Janet Stambaugh, York Springs, and Donald E. Myers, Baltimore St.

Files Suit For \$307.82 Damages

(Continued from Page 1)

James L. Grimm, Harrisburg, filed an action in trespass against William L. Gottshall today with the office of the prothonotary, asking \$307.82 damages for an accident which occurred Sept. 2, 1951.

Grimm's suit states that he was heading south on U.S. 15 about one mile north of Heidersburg, when the car in front of him stopped. Grimm also stopped, but Gottshall, who was allegedly driving behind him, failed to stop in time, the complaint states, and smashed into the rear of Grimm's car, causing \$307.82 damages.

Grimm's action states that Gottshall caused the accident by driving at a speed "excessive for the road conditions," and for failing to have his car under control.

LETTERS GRANTED

Mrs. J. B. Collin's Kindergarten class was taken on a tour of the Post Office, Baltimore St., Friday afternoon, where Postmaster Lawrence E. Oyer showed the children how mail is handled.

Afterwards the youngsters were taken to the Adams County Free Library on E. High St. where Mrs. Oren H. Wilson showed them through the rooms. They were taken for a short ride in the Bookmobile and later Mrs. Wilson read the children a story.

They presented her later with a gift of money to buy a new book for the library in conjunction with National Book Week. They were accompanied on the trip by Mrs. Collins, Mrs. Richard Debus, Mrs. Stuart Hetrick and Mrs. Willis Weikert.

**REDEEMER'S '55
BUDGET IS MADE
KNOWN SUNDAY**

The budget for 1955 of Redeemer's Reformed Church was announced on Sunday. The budget was unanimously recommended by the finance committee and Consistory and next Sunday morning the congregation will be asked to take action upon the budget.

"Song of Blessing" was the subject of the sermon presented by the Rev. Arthur E. Leeming, supply pastor, during the worship service yesterday in Redeemer's Church. The Scriptures were read from Deuteronomy 8:1-20. The anthem "Lead Us, Heavenly Father," Holier, was sung by the Junior Choir, directed by Samuel H. Higginbotham and accompanied by Mrs. George A. Stoner, church organist. The altar flowers were placed by the George M. Conover family in memory of their mother and their sister, Charlotte. The bulletins were given by Dewey M. Henry in memory of his parents, Mr. and Mrs. Simon Henry.

The calendar for this week at Redeemer's Church was announced as follows: Tuesday, 7:30 p.m., special meeting of the Consistory at the church; Wednesday, 7:30 p.m., annual union Thanksgiving service in charge of the Rev. Mr. Leeming, with sermon by the Rev. Herman E. Stenger, pastor of Centenary Methodist Church; 8:30 p.m., Senior Choir rehearsal. The Junior Choir will not rehearse this week. The November meeting of the Young Men's Sunday School Class has been canceled.

Class To Meet

The quarterly meeting of the Friendship Circle Sunday School Class of St. Paul's Lutheran Church will be held on Monday, December 6, 7:30 p.m. at the church. The hostess committee for the evening includes Mrs. Paul C. Worley, Mrs. J. Walter Groce, Mrs. Allen Eppley, Mrs. John P. McSherry, Mrs. George Mayers and Mrs. Curvin Keever. Mrs. Lloyd Hunter and Mrs. Carroll E. Arter are the class teachers.

The annual Thank Offering Gathering Service was held in Christ Reformed Church on Sunday at 10:30 a.m. The service was in charge of the Women's Guild and opened with the organ prelude played by Fred A. Warner, following with the congregational hymn "Praise To God, Immortal Praise." The worship continued as follows: Invocation by the pastor, the Rev. G. Howard Koons; responsive reading; Scripture; the Gloria Patri; Apostle's Creed; prayer by the pastor; offering; reading, "What Thank Offering Means"; Mrs. Ralph I. Unger; vocal solo, "Prayer of Thanksgiving"; Miss Audrey J. Bankert; reading, "Think—Thank"; Mrs. LeRoy W. Berwager and Mrs. Louise Yohe; vocal duet, "Count Your Blessings"; Mrs. Richard E. Barnes and Mrs. Charles A. Grove; gathering of Thank Offering envelopes, in charge of Mrs. Orville C. Sentz and the ushers were: Mrs. Clyde L. Sterner, Mrs. Irvin C. Markle, Mrs. Gerald W. Sterner and Mrs. Harold E. Shoemaker; sermon by the Rev. Mr. Koons; congregational hymn, "The God of Harvest Praised"; Lord's Prayer; Doxology; benediction pronounced by the pastor; organ postlude.

Clyde L. Sterner, Wilmer F. Kessler, Ralph L. Snyder and Francis C. Warner served as ushers for the service. The bulletins were given by Mr. and Mrs. Edgar W. Berwager in honor of their 43rd wedding anniversary. It was announced by the committee on bulletin sponsors that December 12, 19 and 26 are open dates. Anyone who may wish to sponsor the bulletin on any of these days should contact Gerald W. Sterner or John N. Sell.

It was announced that in order

Leister; Prince St. Ext., Bernard M. Selby, Monroe J. Stavely, Walter C. Myers, Leslie Shinham and Harold Sparver.

The solicitors are asked to meet on Friday, at 6:30 p.m. at the engine house, to pick up their credentials and necessary information. The firemen are urged to report as early as possible, so that the canvass can be completed before 8 p.m., when the Good Will Days program begins. It will be a great help if the local residents will have the envelopes, which were distributed last week, ready when their community firemen call.

Christ Church will observe its annual Kingdom Roll Call next Sunday. Men of the church will call at each home of the congregation and distribute the envelopes for 1955. Contributions to the Rev. Dr. and Mrs. H. H. Hartman Fund may also be made at that time. The Roll Call team will meet on Tuesday at 7:30 p.m. at the church, to receive their instructions and materials.

Christ Church choir will rehearse on Tuesday evening, 7:30 p.m.

**TOWN COUNCIL
MEETS TUESDAY**

The Littlestown Borough Councilmen will meet for their November session on Tuesday evening at 8 o'clock in the office of the borough secretary, Roger J. Keefer, N. Queen St., motored to Campbeltown on Friday evening. The Rev. Mr. Koontz preached the evening sermon in Salem Evangelical and Reformed Church held in connection with special "Rally Week Services" commemorating the rededication of the sanctuary which was recently redecorated. The Rev. Mr. Koontz was pastor of Salem Church from 1946 to 1951.

Mrs. Oscar Amspacher was leader at the November meeting of the Women's Missionary Society of St. Luke's Union Church, held on Friday evening at the church. The Scripture and prayer were read by Mrs. Amspacher. The topic "Lutherans in The Holy Land" was introduced by the leader and participating in the discussion were Mrs. Claude Flickinger, Mrs. Parr R. Breighner, Miss Betty Hartlaub, Miss Eileen Hartlaub and Miss June Breighner.

The business session was conducted by Miss Betty Hartlaub, president. It was decided to conduct a used clothing drive during the next few weeks. The president reported on the proceedings at the seventh biannual meeting of the Women's Guild held on Nov. 7 at Trinity Reformed Church, Waynesboro. A report was heard from the secretary, Mrs. Parr Breighner. The Society will meet again on Wednesday, December 15, 7:30 p.m. at the church, near White Hall. The Rev. Oscar E. Feeman, pastor of the Lutheran congregation, will be leader.

Mrs. Paul E. King, Littlestown R. I., will be hostess to the Starr Bache Class of St. John's Lutheran Church for the November meeting on Tuesday at 7:30 p.m. Mrs. Thursday night. Mrs. Edgar Pfleider holds a monthly meeting on Tuesday night. Mrs. Claude Wintrode, Crouse Park, was hostess to the Starr Bache Class of St. Paul's Lutheran Church for the monthly meeting on Tuesday night. Mrs. Edgar Pfleider

George Trump will assist Mrs. King as hostess.

Rev. Koontz Is Guest

The Rev. and Mrs. G. Howard Koons and children, George, Evelyn, Nancy, Ruth, and Roy, E. King St., motored to Campbeltown on Friday evening. The Rev. Mr. Koontz preached the evening sermon in Salem Evangelical and Reformed Church held in connection with special "Rally Week Services" commemorating the rededication of the sanctuary which was recently redecorated. The Rev. Mr. Koontz was pastor of Salem Church from 1946 to 1951.

A selection was sung by a trio composed of Mrs. Maurice C. Wareheim, Mrs. Luther Hess and Mrs. Edward Plunkert, accompanied by Mrs. Ernest R. Senn. A reading was given by Miss Wintrode. Guess packages were contributed by Mrs. William H. Dixon and Mrs. Maurice C. Wareheim and were received by Mrs. Wareheim and Mrs. Ellen Feeler. Mrs. Ralph DeHoff, secretary, gave her report. At the close of the program refreshments were served by Mrs. Wintrode, Mrs. Wareheim and Mrs. Feeler.

The class will meet again on Thursday, December 30, 7:30 p.m., at the church and the hostess committee comprises Mrs. William H. Dixon, Mrs. George Stover, Mrs. Paul Schelvert and Mrs. Ralph DeHoff.

Bullets Wallop Diplomats 33-0 For 5-3 Season Mark; Eppleman, Megee Score Pair

Gettysburg College's football forces gave a sharp anti-aircraft demonstration, and added a combined land and air attack of their own to walk away with a 33-0 win over Franklin and Marshall before 2,000 at Lancaster Saturday.

Coach Johnny Yovicevic had drilled his backs on pass defense for three straight days last week and those drills were responsible for breaking the back of the Diplomat attack early in the game. Mike Duka, Bob Eppleman and Dave Lichtenfeld thieved three of the first 10 P. and M. passes. Eppleman turned his interception into a touchdown on a 39-yard runback.

Dave Lichtenfeld came close to going down in national record books as he intercepted a pass deep in the end zone, dashed to midfield, and with a horde of blockers around him, he let the wet ball slip out of his hands and bounce out of bounds.

The Bullets kicked off to the home team and the Diplomats marched to the Gettysburg 2. Dale Ritter, on a fourth down pass play intended for Eberle in the end zone, saw his aerial intercepted by Lichtenfeld. That was the interception Lichtenfeld fumbled at midfield.

Megee Goes Over

Jim Megee, Eppleman and Lichtenfeld promptly spear-headed a drive to the Diplomat 18, from where Frank Gagliardi passed to Megee on the one and Megee fell into the end zone for the score. Jim Soltesz extra point try was wide.

Minutes later the Bullets were knocking on the scoring door again thanks to an interception and 39-yard return to the P. and M. 22 by Duka. But the Diplomats held and Avis punted out of bounds on the home team's eight.

The next time Gettysburg received possession the Bullets were not to be denied. The drive started on the Diplomat 44 and the big play was a pass from Gagliardi to Megee in the end zone which was awarded the Bullets on the one when interference was called. Megee dove over on the next play. Soltesz converted on a placement.

Eppleman Intercepts

Eppleman got into the act with his 39-yard runback of an interception for a touchdown midway in the second period. Carl Beck's placement for the extra point was good.

The Diplomats received the kickoff on their own 32 and started a drive of their own which ended on the Gettysburg 8 after two passes were batted down in the end zone.

Gettysburg drove back to the Diplomat 44 but on the final play of the first half, Copenhaver intercepted a Gagliardi pass.

The Bullets received the second-half kickoff and with Megee and Lichtenfeld getting huge chunks of yardage every time they carried the ball, drove to the Diplomat 11 where Lichtenfeld fumbled and P. and M. recovered.

The Bullet second team scored the home team punt to the Gettysburg 46 and the Bullets were on another scoring jaunt. The score came on a beautiful Gagliardi pass to Lichtenfeld who crazy-legged it for the remaining distance. Beck added the extra point on a placement.

The Bullet second team scored the

last touchdown. After receiving the ball on their own 27, the Bullets drove 31 yards on three running plays by Duka, Bill Morro and Bill Yocom. The three backs alternated carrying until the Bullets reached the P. and M. 8.

Click On Pass

Here came the prettiest play of the game. With fourth down and one to go for a first down, quarterback Soltesz called a jump pass and flipped perfectly to Fritz Lockenmyer for the score.

The Diplomats threatened again but Bullet substitutes held firm on their own four to end the final threat.

Gettysburg seniors played their final game for the Orange and Blue were Tom Kostelac, end; Hart Beaver and Bob Finnegan, tackles; Bill Weitzel and Carl Beck, guards; Robert Hoffman, center, and Bob Eppleman, Jim Megee and Bill Yocom, backs.

ROSE BOWL IS ONLY ONE OF 4 BIG POSTSEASON GAMES FILLED

By ED CORRIGAN
The Associated Press

The scramble of lucrative bowl berths was not over by any means today, but no matter how the final pairings line up the "natural" of the year won't take place.

The Rose Bowl is the only one of the four big postseason extravaganzas filled. It will pit twice-beaten Southern California against mighty Ohio State, UCLA, possibly the only team in the country capable of giving the Buckeyes an argument, played in the Rose Bowl last Jan. 1, and, by Pacific Coast Conference edict, can't appear again.

As far as college football goes, that's a genuine tragedy. Both Ohio State and UCLA boast proud 9-0 records. Both are undisputed masters of their conferences — UCLA the PCC and Ohio State the Big Ten—and they rate the Nos. 1 and 2 teams in the nation.

Arkansas And Nebraska Too

If there was any doubt as to who was best in the PCC, it was dispelled last Saturday when UCLA clubbed the Trojans 34-0. Ohio State meanwhile, was winning its seventh Big Ten game, a 21-7 decision over Michigan.

Two other teams emerged with bowl assignments. They were Arkansas for the Cotton Bowl host and Nebraska as the visitor for the Orange Bowl. Both sneaked in the back door.

Arkansas was beaten by Louisiana State 7-6, and Nebraska suffered a 55-7 pasting at the hands of Oklahoma. But . . . Baylor beat Southern Methodist 33-21 in a Southwest Conference game. Since SMU was Arkansas' only competitor for the Cotton Bowl assignment, the defeated spelled fins for the Mustangs.

Baylor still can tie Arkansas for the league title, but the Razorbacks had the forethought to whip Baylor earlier in the season to clinch it.

Oklahoma Barred

Oklahoma, like UCLA is barred from appearing in the Orange Bowl two years in a row, the runner-up gets it this year. Oklahoma's victory over Nebraska gave the Sooners their seventh straight Big Seven title.

Kansas State was the only team that had a chance of overtaking Nebraska in the race for second place. Colorado beat State 38-14 and that settled things.

If Duke can get past North Carolina Saturday, the Blue Devils no doubt will get the Atlantic Coast Conference spot in the Orange Bowl. A vote is taken, but Duke will have a spotless record compared to one tie against Maryland. Conversely, if the Blue Devils lose, Maryland probably will get the nod for the second straight year.

Should Mississippi win the Southeastern Conference championship by getting past Missouri State Saturday, Ole Miss will act as host team in the Sugar Bowl. Baylor has a good chance of being named the visitor.

The settling of the Southeastern race also will enable the Cotton Bowl selectors some width in deciding the team to oppose Arkansas.

Auburn and Kentucky, winners of their last five in a row, appear to have the inside track.

Wichita finally won a Missouri

place, only five points back of the pace setting Hershey Bears.

The Reds left Buffalo in the league basement alone by edging the Bisons 5-4 in the only game scheduled last night.

BUDDY REDDING SELECTED FOR ALL-LOOP

Garden And Building News

Rooms Six
Bedrooms Three
Closets Eight
Cubage, House 16,000 ft.
Garage 6,900 ft.
Dimensions 34' x 26'

The "Pomfret" is a large house; the main house measures 34x26'. Cubage of the house is 16,000 feet. Cubage of the wing and garage is 6,900 feet.

White painted shingles are the ideal exterior finish for an informal, homey-style of house such as the "Pomfret." The use of blinds will be in harmony with the architectural style of the house and will, at the same time, add a pleasing note of brightness and color to its exterior.

An integral part of the house design, the one car garage balances the right or bedroom wing of the house. The cupola on top of the garage adds another distinctive decorative touch to the outside of the house; if you'd like to further enhance the exterior of "The Pomfret" by adding an ornament strictly in keeping with the style of house, you can have an old fashioned weather-vane erected on top of the garage, as is in the house selected as an illustration.

There's nothing old-fashioned about the inside of "The Pomfret," however. Both bedrooms in the right wing are well lighted and contain ample storage facilities. The den or bedroom is planned to serve either use with equal ease and convenience. If you prefer to use this room just as a den, or as a den-guest room, you can have bookshelves built along the left wall of the room. And, no matter what the use to which you put this multi-purpose room, you'll appreciate the two good sized windows in the back wall and the spacious closet in the right wall.

Located just to the right of the dining room, the lavatory will prove very handy whenever you or your family are in the left section of the house. During that inevitable morning rush this lavatory will prove well night indispensable.

The cozy little breakfast nook, in the right back corner of the well planned kitchen, will save a lot of wear and tear on the dining room furniture. And if you're the lady of the house, it will save time and work to make this breakfast nook so pleasant that your family will enjoy eating many of their meals there.

Three Sailors Are Killed In Crash

NORFOLK, Va. (AP)—Three sailors were killed yesterday in a collision of their car and a tractor-trailer truck at the intersection of state Rts. 13 and 13-Y in Princess Anne County.

The victims were seamen Edward Joseph Bydon, 18, of Lansford, Pa.; Thomas Cohen, 20, of Harrisburg, Pa., and Sven Forster, 20, of New York City.

Police said the car, a 1954 sedan, was operated by Bydon when the crash occurred in pre-dawn hours on the rain-swept highway.

The sailors, attached to the U.S. Navy Communications Station at Drivers, were dead on arrival at nearby hospitals.

NEW TAX CUTS LESS LIKELY

By STERLING F. GREEN

WASHINGTON (AP)—Sentiment within the Eisenhower administration appeared today to be running strongly against any new tax reduction next year unless business falters.

High officials of four federal agencies, which presumably will influence the shaping of President Eisenhower's recommendations to Congress in January, indicated in interviews that a final decision on tax policy hinges on business developments of the next several weeks.

But each said the state of government finances—a \$4,700,000 deficit is expected by June 30—does not justify further business or individual tax cuts, assuming that the economic recovery is still on the upbeat at the turn of the year.

This probably means that the administration not only will oppose a further income tax reduction, advocated by a number of the Democrats whose party will control the next Congress, but will take a stand against scheduled reductions in corporate income and excise tax rates.

The corporate tax rate is due to drop from 52 to 47 per cent on April 1, under present law.

Several excise levies, including those on automobiles and gasoline, also are due for reduction next spring.

CENSURE OF JOE CAN BE BROUGHT UP NEXT YEAR

By JAMES MARLOW

WASHINGTON (AP)—Failure of the Senate in 1954 to reach a vote on censuring Sen. McCarthy wouldn't necessarily end the matter. The Senate could resume study of the problem as soon as the Democrats took over Congress in 1956.

It could be done by a simple majority vote on a resolution next year to take up McCarthy's case again. No doubt McCarthy's Senate friends would fight it.

Such a fight could delay the new weeks. More time would be used if a majority approved the resolution and, in due course, got around to debating censure again.

The Senate must vote by Dec. 24 or not at all in 1954. This is why:

Any legislation—a resolution comes under that head—offered in a Congress ends with that Congress. It does not carry over into the next Congress.

Started In August

On Aug. 2 the present Senate approved a resolution—No. 301—setting up a select committee to consider charges that McCarthy's conduct should be censured. The committee was headed by Sen. Watkins (R-Utah).

Any action the present Senate took on Resolution No. 301 would have to be completed before the 83rd Congress took over. If the 84th wanted to resume the McCarthy case, it could do so only by a new resolution.

On Aug. 20, with its business finished for the year, the House adjourned. It could not return unless President Eisenhower called it back in special session. But on Aug. 20 the Senate was far from finished.

It would have to consider censure for McCarthy if the Watkins committee recommended that, as it did later. So House and Senate agreed that the latter could go on working but no later than Dec. 24.

The Senate could not continue debate on McCarthy beyond Dec. 24 unless the House came back and voted approval. Eisenhower would hardly call a special session just for that.

But next year's Senate could pick up the problem of censuring McCarthy if a senator introduced a resolution to do so and a majority approved.

MECO WORKER KILLED

READING, Pa. (AP)—William J. West Jr., 35, was killed Saturday when an automobile struck the service truck on which he was working and jolted him from the truck ladder.

West, a service man for the Metropolitan Edison Co., was repairing a street light when the accident occurred.

SEARCH FOR BODY

CHESTER, Pa. (AP)—The body of a person who drove his car into the Chester ferry slip Saturday was still being sought today.

The car, registered in the name of James O. Cornish of Chester, was empty when raised from 25 feet of water. The incident occurred during a heavy fog.

PHILADELPHIA (AP)—A \$25-a-plate victory dinner is expected to draw some 6,000 eastern Pennsylvania Democrats into Convention Hall Dec. 6.

Gov.-elect George H. Leader is scheduled to be the main speaker while other victorious Democratic candidates are also scheduled to attend.

Similar banquets are planned for Harrisburg and Pittsburgh.

The U.S. Office of Education was set up in 1867 as an independent agency, but since that time it has been attached to the Department of the Interior, later to the Federal Security Agency and in 1953 to the Departments of Health, Education and Welfare.

Home owners as well as people planning to build or buy a house had many opportunities to see many of the latest ideas in design, construction and equipment of homes between September 19 and September 26, which was National Home Week.

Builders and lumber dealers in more than 100 metropolitan areas prepared community wide programs for that week to give the public a chance to see "tomorrow's homes today." Considering the trends that have been developing recently, that slogan proved to have more substance than mere words.

More bedrooms, fewer basements, a widespread increase in year-round air conditioning, better lighting both from windows and from electrical installations were among some of the features found in more than 10,000 model homes which were on exhibit across the country.

Price Brackets

Price-wise there were more houses in the \$10,000 to \$15,000 classification than in any other bracket. Leonard Haeger, director of the Research Institute of the National Association of Home Builders, keeps a close check on all of these trends. He tells us that 43 per cent of the homes which were shown were under \$10,000; 48 per cent were between \$10,000 and \$15,000 and only 9 per cent were priced above \$15,000.

"Trends do not move swiftly in houses," Haeger said, "but many trends in the last 10 or 15 years have brought substantial changes in the manner and convenience of living for the average family. "Kitchens have 'opened up' and have better equipment, vastly lightening women's work in that area. Smaller cut-up rooms have been replaced by more open areas. Indoor-outdoor living has been created by the use of window walls and development of living areas in the yard. Bathrooms are far more convenient and attractive. Better use has been made of closet and storage space. Houses have tended to become more and more spread out."

More Rooms

Haeger admits that an increase in the number of rooms has been in the making for some time. Couples who moved to very small houses after World War II are now raising families and need more space. So the average house shown during National Home Week had three or more bedrooms.

Also noticeable is a trend away from basements, he says. Following V-J Day, there was a distinct movement toward houses built on slabs. A few years ago that trend slowed down. Now the slab-type house seems to be forging ahead as a favorite.

What's the idea of National Home Week? We asked Edward G. Gavin, the man who originated it seven years ago. Gavin is the editor of the American Builder, trade publication for light construction. He got the President to designate the week and now its direction has been taken over by the National Assn. of Home Builders.

Point Of Campaign

"Is it just to set up a campaign for a high concentration of sales in a given week in September?"

On The House

By JAMES MARLOW

WASHINGTON (AP)—Failure of the Senate in 1954 to reach a vote on censuring Sen. McCarthy wouldn't necessarily end the matter. The Senate could resume study of the problem as soon as the Democrats took over Congress in 1956.

It could be done by a simple majority vote on a resolution next year to take up McCarthy's case again. No doubt McCarthy's Senate friends would fight it.

Such a fight could delay the new weeks. More time would be used if a majority approved the resolution and, in due course, got around to debating censure again.

The Senate must vote by Dec. 24

or not at all in 1954. This is why:

Any legislation—a resolution comes under that head—offered in a Congress ends with that Congress. It does not carry over into the next Congress.

Started In August

On Aug. 2 the present Senate approved a resolution—No. 301—setting up a select committee to consider charges that McCarthy's conduct should be censured. The committee was headed by Sen. Watkins (R-Utah).

Any action the present Senate took on Resolution No. 301 would have to be completed before the 83rd Congress took over. If the 84th wanted to resume the McCarthy case, it could do so only by a new resolution.

On Aug. 20, with its business

finished for the year, the House adjourned. It could not return unless President Eisenhower called it back in special session. But on Aug. 20 the Senate was far from finished.

It would have to consider censure for McCarthy if the Watkins committee recommended that, as it did later. So House and Senate agreed that the latter could go on working but no later than Dec. 24.

The Senate could not continue debate on McCarthy beyond Dec. 24 unless the House came back and voted approval. Eisenhower would hardly call a special session just for that.

But next year's Senate could pick up the problem of censuring McCarthy if a senator introduced a resolution to do so and a majority approved.

MECO WORKER KILLED

READING, Pa. (AP)—William J. West Jr., 35, was killed Saturday when an automobile struck the service truck on which he was working and jolted him from the truck ladder.

West, a service man for the Metropolitan Edison Co., was repairing a street light when the accident occurred.

SEARCH FOR BODY

CHESTER, Pa. (AP)—The body of a person who drove his car into the Chester ferry slip Saturday was still being sought today.

The car, registered in the name of James O. Cornish of Chester, was empty when raised from 25 feet of water. The incident occurred during a heavy fog.

Philadelphia (AP)—John J. Regan, 60, president of the Philadelphia Steel and Iron Co. in suburban Conshohocken, died Saturday night in Fitzgerald-Mercy Hospital.

A native of Lenni, Delaware County, Regan started in the steel forging business in Philadelphia in 1918 with the late Wilmer C. Swartley as his partner. In 1929 they moved the business to Conshohocken. Regan lived in St. Davids.

Surviving are his wife, the former Grace Barrett, and a sister, Miss Jean Regan.

Solemn Requiem Mass will be sung Wednesday in St. Katherine's Church, Wayne. Burial will be in St. Dennis Cemetery, Ardmore.

Nine of the exhibits will be in vocational agriculture and an equal number in home economics. The Farm Show Commission will award \$820 in prizes ranging from \$40 to \$60 each.

Vocational agriculture schools selected are:

McGuffey Joint High School, Clayville, Washington County; Bewick High School, Columbia County; Ligonier High School, Westmoreland County; Oley Township High School, Oley, Berks County; Upper Perkiomen Joint High School, East Greenville, Montgomery County; Albion Area Joint High School, Lycoming County; Central Bucks Joint High School, Doylestown, Bucks County; and James Buchanan Joint High School, Mercersburg R. D., Franklin County; and Elk Lane Joint High School, Montrose, Susquehanna County.

Other Displays

Home economics displays will be prepared by:

Trinity High School, Washington County; Blue Mountain Joint High School, Crescassa, Schuylkill County; Scott Township High School, Espy, Columbia County; Polk Township High School, Kresgeville, Monroe County; Bellfonte Area Joint High School, Centre County; Beaver Township High School, Shumans, Columbia County; Western Area Joint High School, Millflinburg, Union County; James Buchanan Joint High School, Mercersburg R. D., Franklin County; and Elk Lane Joint High School, Montrose, Susquehanna County.

College V.P. Dies

NORRISTOWN, Pa. (AP)—Harold D. Steinbright, 56, a prominent member of the Evangelical Reformed Church, died Saturday after a long illness. A resident of nearby Cedars, Steinbright was vice president of the board of directors of Ursinus College at Collegeville.

Columbia University, the oldest institution of higher learning in New York State, opened as King's College, 200 years ago.

Whenever seeds are sown under protection, before it is safe to sow them in the garden, seedlings will come up too crowded to develop properly.

They must be thinned out and the excess plants either discarded or transplanted to other quarters usually another seed box. This box may be filled with plant bands, so that the equivalent of pot-plants are produced by the transplanted seedlings; or the latter can be set out evenly spaced at least two inches apart each way but without anything to retain the ball of soil about their roots.

Seedlings can be moved at an early stage of their growth with a minimum check on growth. The usual custom is to move them as soon as they have made true leaves. The first leaves, called seed leaves, do not provide food for the infant plant; but the true leaves do and help it recover from the slight shock of moving.

The operation is done in seconds. A pointed stick is thrust into the soil near the seedling, which is lifted between the stick and a finger moved to the new flat where a hole has already been punched for it. The tiny root is dropped in and soil is pressed against it.

CHINA SINKS TWO RED SHIPS, ROUTS OTHERS

TAIPEH, Formosa (P)—Nationalist China claimed it sank two Red Chinese warships and routed 11 in a sea battle 12 miles southeast of the strategic Tachen Islands today.

The Defense Ministry did not say what type of Red warships was involved but they could have been armored junks, of which the Communists possess a great number.

In its communiqué, the ministry said:

"Our navy, on patrol, discovered 18 Communist craft at 0430, 10 knots southeast Tachens. At 0446, navy began shelling. Immediately sank two of them. Rest, at disadvantage, fled direction mainland."

In Tokyo, the Japanese coast guard reported that two Japanese fishing boats were machine-gunned and sunk by two unidentified gunboats about 20 miles east-southeast of the Tachens today.

3 Fishermen Killed

Three Japanese fishermen were killed and three injured. Two other Japanese fishing boats rescued about 18 crewmen of the two boats sunk, coast guard headquarters reported.

The coast guard said it had ordered two armed patrol ships to investigate.

A coast guard report said, "some Japanese fishing boats have been warned to stay away from the area of Nationalist Chinese warships and today's incident indicates the fishermen may have closed in too much toward the coast."

Air force planes spotted the Red ships off the Tachens, the Defense Ministry said. Nationalist vessels sped to the scene.

Some of the 11 ships that escaped toward the Red China coast possibly were damaged, the ministry said.

Feared Sneak Attack

Official quarters said it was

possible the Reds had intended to make a sneak attack on the Tachens, northern anchor of Nationalist offshore bases 200 miles north of Formosa.

Only yesterday President Chiang Kai-shek warned that Red air attacks against Formosa were inevitable.

In an air defense day message he predicted the Communists would bomb Formosa "because this island is a base against the Red bandits and Russia and is an outpost of the free world."

In Taipei, afternoon newspapers jubilantly heralded the sea battle as avenging the sinking of the Nationalist destroyer-escort Tai-ping by Red torpedo boats on Nov. 14 in the same general area.

Nationalist bombers today blasted Toumen Island, a Red base 13 miles northwest of the Tachens, official reports said.

payment of costs. He had been in jail since July 4 on other charges brought in connection with the accident.

John F. Buckley, Aspers R. 1, who had pleaded guilty to leaving the scene of an accident without revealing his identity, was given a suspended sentence and ordered to pay \$150 for the use of the county and the costs.

Buckley had a load of 300 baskets on his truck, that he heard a light bump and thought some of the baskets had fallen over and did not realize that the rear of his truck had sideswiped a car. State Policeman James A. Treas, the arresting officer, noted to the court that Buckley also did not notice that he drove up into a lawn a few moments later and had to back out before continuing.

Renews Bail

John Herman Hansen, Baltimore, scheduled for sentence on a charge of driving while under the influence, was ordered to renew his \$1,000 bail and to appear for sentence January 3.

Calvin L. Lovett, 137 Breckenridge St., who had pleaded to a violation of the Pennsylvania Unemployment Compensation law, was placed in jail for one year but was told a parole would be considered December 20 if restitution of \$480 had been made by that time.

Wayne Roger Wolf, York Springs R. 1, who had pleaded guilty to a morals charge was ordered to pay \$5 per week for the support of a child starting July 21, pay \$86 lying in costs and post \$500 on his own recognizance to comply with the order.

Gets 30 Days

Ray Edward Herr, Fairfield R. 2, charged with operating a motor vehicle while under the influence, was sentenced to 30 days in jail and run in the county and the costs on a charge of driving while under the influence. Borough Officer Raymond Menges told the court that it took two policemen to hold up Knipple when he attempted to walk after getting out of his car, when the policemen stopped him.

Hit-Run Drivers Fined

Charles C. Carey, Seven Stars, who had pleaded guilty to a hit and run accident in Gettysburg, was given a suspended sentence and ordered to pay \$75 for the use of the county and the costs.

Edgar Baker Stock, Abbottstown, who had pleaded guilty to a charge of permitting an intoxicated person to operate a motor vehicle, was given a suspended sentence on condition he pay \$250 for the use of the county and the costs.

Charles Brown, Eastman, Ga., charged with hit and run, was given a suspended sentence on condition he pay \$250 for the use of the county and the costs.

Some of the 11 ships that escaped toward the Red China coast possibly were damaged, the ministry said.

JUNIATA, PMC UNDEFEATED IN SEASON'S PLAY

By THE ASSOCIATED PRESS
Powered little Juniata and Pennsylvania Military College ended perfect football seasons Saturday while Penn State brought its successful season to a happy ending by beating Pitt in Pennsylvania's college game of the day.

The win for the Juniata Teachers was their eighth this season and 13th in a row over the past two years. Halfback Pat Tarquinio, individual standout of the Teachers, scored three touchdowns in a 28-6 win over Ursinus.

PMC's 28-7 win over Albright was its seventh of the season and four players scored the Cadets' touchdowns.

Pitt set up its defense to halt the Nittany Lions record busting Lenny Moore, but quarterback Don Bailey sneaked over for one State touchdown and his replacement, Bob Hoffman, threw 19 yards to end Jack Sherry for another TD as Penn State won 13-0. It was the third successive year in which Pitt was shutout in the traditional state rivalry. Moore was held to only 66 yards.

Lehigh Loses 46-0

Lafayette overpowered Lehigh 46-0 in another traditional game. Lehigh had been favored for this one, the 90th game in the series between the two colleges. It is the longest uninterrupted competition in collegiate ranks.

Swarthmore defeated Haverford 21-4 in the 45th meeting of those

traditional rivals and Gettysburg romped over Franklin & Marshall 33-0 in the 57th game of their series.

Delaware, bound for the Refrigerator Bowl, turned up by dumping Bucknell 20-0 in a decision that was rated somewhat of an upset. Quarterback Don Miller of Prospect Park, Pa., set a new Eastern Intercollegiate Football Assn. record during the game by completing the 36th touchdown pass of his college career. The old record of 35 was held by Princeton's Dick Kazmaier.

Moravian defeated Wilkes College 27-14 by scoring two touchdowns in the final quarter and halfback Jim Laverty scored three touchdowns in Scranton's 26-13 win over Kings.

Bloomsburg romped over Lock Haven 40-13 and Baldwin Wallace of Ohio defeated Slippery Rock 39-19.

The Philadelphia area teams continued their poor season Saturday. Temple bowed to Boston U. 19-7 and Villanova lost its ninth straight, 34-19 to Vanderbilt, in a battle of winless teams.

Another Philadelphia non-winning major team, Penn, winds up its season Thanksgiving Day against Cornell while Lincoln meets Howard in the other Turkey Day finale for Pennsylvania colleges.

MAKES SECOND TEAM

CHICAGO (P) — Francis (Moose) Machinsky, Ohio State tackle from Uniontown, Pa., today was named to second team berth on the 1954 All-Big Ten football team selected by The Associated Press.

Machinsky won All-Pennsylvania honors three years ago as a guard for Uniontown High School.

SHAINLINE IN GRID FINALE; AWARDED GIFTS

Jack Shainline, frequently called by former Gettysburg College football coach and present athletic director Henry T. Bream as "the finest line coach in the history of football at Gettysburg College" retired from the grid scene following the

Bullets easy 33-0 win over Franklin and Marshall Saturday.

Jack, who is affectionately called "Spkie" by players and fans, has been called by coaches and critics as one of the best line coaches in the game.

When his ballplayers hoisted him to their shoulders following the Bullet win Saturday, Shainline was probably one of the happiest and, at the same time, saddest in

dividuals in the park. He could look back on seven years of some of the most successful teams in Bullet history; and he could look ahead to a position in the administrative end of education as the assistant registrar of Gettysburg College.

The sad part was in leaving the coaching field, where he had made so many friends and followers in his short tenure.

After parading into the locker room, the Gettysburg squad shouted "we've got Spike."

After Shainline appeared they cheered louder. Bob Eppleman, senior back and Maxwell Award winner, told the retiring coach how much the team thought of him and presented him a wrist watch from the squad.

In accepting the gift, Shainline said, "In the seven years of coaching at Gettysburg College I know that there hasn't been a finer group of men, on and off the field anywhere."

Bill Weitzel, senior guard, tossed Shainline the game's football, and said: "I prepared a speech but here's the football we wanted you to have." There were few dry eyes in the locker room.

Head coach John Yovicsin presented Shainline with a pen and pencil set as a tribute to his line coach of the last three years.

Later when Shainline was interviewed, he said, "Seven years of coaching the Gettysburg College line have been a real privilege for me.

I feel that I have had the opportunity to work with men who cannot be surpassed in any school anywhere. They have represented our college on the field of play as excellent athletes and have been surpassed as gentlemen.

Georgetown Tops Mountaineers 3-2

The Mt. St. Mary's College soccer team dropped a hard-fought 3-2 decision to Georgetown University at Washington, D. C., Saturday afternoon, as the Mountaineers ended their season.

Hans Kline, an exchange student from Germany, tallied both Mountaineer goals, one in the second quarter and another in the final period.

Georgetown scored in the second period and added two more goals in the third stanza.

During the season Mt. St. Mary's won one game while losing seven

and was not serious.

Nature of the former New York Yankee baseball star's ailment was not reported, but friends said he frequently has been troubled by a duodenal ulcer and is about 10 pounds under weight.

He entered the hospital yesterday, leaving strict orders against telephone calls or visitors.

TITO AND REDS MORE FRIENDLY

KOPAR, Yugoslavia, (P)—Yugoslav President Tito said yesterday that his country's relations with the Soviet Union are improving—but that does not mean he is drawing away from the West.

Denouncing any suggestion of a breach between his Communist government and the United States, Britain and France, the Yugoslav

leader told a crowd of 35,000 here that the Western nations "proved at the most trying moment that they were our friends."

Tito voiced the hope that relations between Yugoslavia and Russia would "improve even more... on a basis of equality." He said his government would ignore any Western objections to "our negotiations for improving relations with the Soviet Union."

But Yugoslavia, he asserted, advises Russia and her East European allies "that we cannot improve relations with them at the expense of relations with the Western countries."

SEN. FULBRIGHT FEELS ELBOW TROUBLE IS NOT SO VERY SERIOUS

WASHINGTON (AP) — Sen. Fulbright (D-Ark.) says he doubts Sen. McCarthy's elbow trouble is "quite as serious as we were led to believe" when the Senate last week suspended debate on censure charges against the Wisconsin Republican while he underwent hospital treatment.

"It seems to me," Fulbright said yesterday during a television interview, "that this delay is certainly consistent with an effort to prevent any vote at all."

Debate on the censure charges—which Fulbright helped initiate—was broken off last week until next Monday when Dr. George W. Calver, Capitol physician, reported McCarthy had developed "traumatic bursitis" after his elbow was injured in a Milwaukee handshaking accident.

Charges Could Die

McCarthy has been undergoing treatment at the Bethesda Naval Hospital. The hospital reported yesterday his condition continues satisfactory.

The Senate is authorized to sit for this session only until Christmas Eve. If the vote on censure does not come by that time, the charges automatically die.

Sen. Watkins (R-Utah), who headed a special committee that

recommended McCarthy be censured, said yesterday he doubts the recess "will have any effect on the final result." Speaking on a recorded program telecast from New York, he said the censure debate will may "cool off some of the people who have been emotionally upset."

Move For New Count

Meanwhile, a move reportedly was developing to substitute new count—the alleged maligning by McCarthy of the Watkins committee—for charges now before the Senate.

The special Senate committee of three Republicans and three Democrats recommended that McCarthy be rebuked for allegedly treating a Senate elections subcommittee with contempt in 1952 and on grounds that he "repeatedly abused" Brig. Gen. Ralph W. Zwicker while the Army officer was testifying before McCarthy's Investigations subcommittee last February.

Senators who so far have taken no public stand on the charges were said to have discussed a possible bipartisan move to press the new count.

Ready To Act

Sen. Bennett (R-Utah) has announced he will file a fresh charge based on McCarthy's declaration that the censure committee served as the "unwitting handmaiden" of the Communist party and on McCarthy's imputation of cowardly actions to Watkins.

A Democratic senator, who asked that his name not be used, said he feels a majority of the Senate believes McCarthy should be reprimanded for saying those things. He said it is his opinion the Zwicker count has lost backing in the Senate.

Sen. Watkins (R-Utah), who headed a special committee that

WILL DEFEND WEST EUROPE WITH H-BOMBS

WASHINGTON (AP)—Plans for the defense of Western Europe now appear to include the use of the hydrogen bomb on the battlefield, to provide a crushing, all-destructive force where tactical nuclear fission bombs or projectiles might be inadequate.

Recent generalized and laconic references by American military officials to utilizing whatever weapons and tactics are required to counter aggression have been sharpened by a comment from the deputy supreme commander of Allied powers in Europe, Field Marshal Viscount Montgomery of Alamein.

The British strategist says: "I want to make it absolutely clear that we at SHAPE (the Paris headquarters of the supreme command) are basing all our operational planning on using atomic and thermonuclear weapons in our defense."

Will Be Used

"With us it is no longer 'They may possibly be used.' It is very definitely 'They will be used, if we are attacked.'

Montgomery made the significant statement in a lecture at London last month. A copy of the lecture became available in Washington today.

Montgomery arrives in Washington this week during a visit to the United States. On Wednesday, he is scheduled to meet with Pentagon officials and later to fly to Augusta, Ga., to spend Thanksgiving with President Eisenhower.

Beginning today, the Military Committee of the North Atlantic Treaty Organization starts a series of meetings for a periodic assessment of the status of Western European military defense, including consideration of the impact of new weapons on the pattern of defense forces. There seemed the possibility that Montgomery might visit, informally, at least one of the committee sessions, to be held in the Pentagon.

of the Watkins committee, said he had changed his mind and would not vote to censure McCarthy in the Zwicker matter.

STAMP NEWS

By SYD KRONISH
The Associated Press

In recent years the Japanese postal department has been issuing stamps, both regular and commemorative, in prolific quantities. Japan can be ranked with Brazil, Czechoslovakia and Russia when it comes to the frequent issuing of stamps, especially since the end of World War II.

Here are some of the recent sets from Nippon:

Two tamps honoring the Crown Prince's return from his overseas tour. The 5 yen brown depicts the "Hoo-O," a bird. The 10 yen blue shows a crane.

Athletic Meet

Two stamps for the Eighth National Athletic Meet held in the Shikoku District. The 5 yen black shows a rugby football match, the 5 yen green a Judo contest.

A stamp picturing the akita dog, of a breed peculiar to Japan. The 2 yen adhesive is black.

Two additional stamps in the National Park set. The 5 yen orange depicting the "Wedded Rocks" at Putamigaura Beach. The 10 yen blue shows a view of Namikiri Beach.

Airmail Set

An airmail set of four with the same design but different colors. The Great Buddha of Kamakura is pictured with a plane in flight above.

A 100 yen red stamp shows a quaint industry in operation—corporant fishing at night. The corporant is a bird known for its ability to catch fish for its trainer.

On the Nagara River at Gifu, Japanese fishermen tame the birds, leash them and send them into the waters.

SAN FRANCISCO (AP) — More than 150 old automobiles are abandoned on the city's streets each month. Most of them aren't worth the cost of towing them to the junk yard—\$7.50 each.

Beginning today, the Military Committee of the North Atlantic Treaty Organization starts a series of meetings for a periodic assessment of the status of Western European military defense, including consideration of the impact of new weapons on the pattern of defense forces. ANY WOMAN CAN HAVE STYLISH, PRETTY HOME

By VIVIAN BROWN
The Associated Press

All any woman needs to have a pretty home is a nudie. She can be elbowed with money, time or taste to achieve the goal.

The recent National Homefurnishings Show at New York points this up by nudging in all three directions. There were ideas to be swiped by the poor, bargain steals for the rich and tricks and treats for the girl with time on her hands for do-it-yourself pastime.

In the style and good taste department colors were tops. There was a rainbow for every pocketbook, and what restful rainbows there are. Bursts of color frequently depended on white to emphasize their vibrant beauty as shown by 12 members of the American Institute of Decorators, manufacturers of furniture, fabrics, lamps and wallpapers.

Tossed Coolingly

A white rug was tossed coolly upon purple vinyl tile in Barbara Joseoff's "night and day" room. It was enhanced by an electronically devised vertical sunblind along the walls. The reversible blinds were white cotton on one side, purple moire on the other. An old-fashioned brass English crib with one side removed became a loveseat with a cushion of purple velvet.

William Pahlmann used white, too, in love seats of linen, with charming Japanese tea tables in Venetian red lacquer. Plastic tile floors are of lime, white and

nubian (brown-black).

Venetian red and gold—the Empire colors—showed up in a charming sitting room created by Yale Burge. Walls were covered in a marbled wallpaper in tones of umber, raw sienna and muted vermillion. The floor was white terrazzo.

All through the show white proved to be the cooling froth for tangy tangerine or Bristol blue, the vineyard greens and purples.

It emphasized the beauty of the jewel colors—emerald, sapphire, ruby, topaz. It served as a buffer for hard floorings, especially when used as such. It was made more possible for fragile silks and upholstered materials by a new silicone upholstery finish, making fabrics more resistant to soil, wear and wrinkling and easier to clean. Water stains may be removed by blotting or rinsing.

set colors, using green, gold and chalk white. The throw rug over 12-in. inlay parquet flooring was white with flecks of gold. A charming Recamer couch was white, also.

PSYCHIATRIST'S MURDER PROBED

PHILADELPHIA (AP)—Police here planned a check of records on all Veterans Administration patients examined by murdered psychiatrist Ellinor M. Langton.

Dr. Langton, 52, chief of the Mental Hygiene Clinic of the Veterans Administration Hospital here for three years, was found dead Saturday on the rear floor of her car, parked in nearby Chester.

Found in the car was a belt which police said apparently came from an Army-issue coat. Investigators theorized that she may have been murdered by a veteran whose claim for compensation she had disallowed.

An autopsy showed there was a possibility Dr. Langton was still alive when her assailant left her. Dr. William Miller of the Fitzgerald Mercy Hospital in suburban Upper Darby, who performed the autopsy, said she may have strangled on her own salivary fluid and that a partial dental plate had slipped down into her throat.

recommended McCarthy be censured, said yesterday he doubts the recess "will have any effect on the final result." Speaking on a recorded program telecast from New York, he said the censure debate will may "cool off some of the people who have been emotionally upset."

Meanwhile, a move reportedly was developing to substitute new count—the alleged maligning by McCarthy of the Watkins committee—for charges now before the Senate.

The special Senate committee of three Republicans and three Democrats recommended that McCarthy be rebuked for allegedly treating a Senate elections subcommittee with contempt in 1952 and on grounds that he "repeatedly abused" Brig. Gen. Ralph W. Zwicker while the Army officer was testifying before McCarthy's Investigations subcommittee last February.

Senators who so far have taken no public stand on the charges were said to have discussed a possible bipartisan move to press the new count.

Ready To Act

Sen. Bennett (R-Utah) has announced he will file a fresh charge based on McCarthy's declaration that the censure committee served as the "unwitting handmaiden" of the Communist party and on McCarthy's imputation of cowardly actions to Watkins.

A Democratic senator, who asked that his name not be used, said he feels a majority of the Senate believes McCarthy should be reprimanded for saying those things. He said it is his opinion the Zwicker count has lost backing in the Senate.

Sen. Watkins (R-Utah), who headed a special committee that

WILL DEFEND WEST EUROPE WITH H-BOMBS

WASHINGTON (AP)—Plans for the defense of Western Europe now appear to include the use of the hydrogen bomb on the battlefield, to provide a crushing, all-destructive force where tactical nuclear fission bombs or projectiles might be inadequate.

Recent generalized and laconic references by American military officials to utilizing whatever weapons and tactics are required to counter aggression have been sharpened by a comment from the deputy supreme commander of Allied powers in Europe, Field Marshal Viscount Montgomery of Alamein.

The British strategist says: "I want to make it absolutely clear that we at SHAPE (the Paris headquarters of the supreme command) are basing all our operational planning on using atomic and thermonuclear weapons in our defense."

Will Be Used

"With us it is no longer 'They may possibly be used.' It is very definitely 'They will be used, if we are attacked.'

Montgomery made the significant statement in a lecture at London last month. A copy of the lecture became available in Washington today.

Beginning today, the Military Committee of the North Atlantic Treaty Organization starts a series of meetings for a periodic assessment of the status of Western European military defense, including consideration of the impact of new weapons on the pattern of defense forces. There seemed the possibility that Montgomery might visit, informally, at least one of the committee sessions, to be held in the Pentagon.

of the Watkins committee, said he had changed his mind and would not vote to censure McCarthy in the Zwicker matter.

STAMP NEWS

By SYD KRONISH
The Associated Press

In recent years the Japanese postal department has been issuing stamps, both regular and commemorative, in prolific quantities. Japan can be ranked with Brazil, Czechoslovakia and Russia when it comes to the frequent issuing of stamps, especially since the end of World War II.

Here are some of the recent sets from Nippon:

Two tamps honoring the Crown Prince's return from his overseas tour. The 5 yen brown depicts the "Hoo-O," a bird. The 10 yen blue shows a crane.

Athletic Meet

Two stamps for the Eighth National Athletic Meet held in the Shikoku District. The 5 yen black shows a rugby football match, the 5 yen green a Judo contest.

The recent National Homefurnishings Show at New York points this up by nudging in all three directions. There were ideas to be swiped by the poor, bargain steals for the rich and tricks and treats for the girl with time on her hands for do-it-yourself pastime.

In the style and good taste department colors were tops. There was a rainbow for every pocketbook, and what restful rainbows there are. Bursts of color frequently depended on white to emphasize their vibrant beauty as shown by 12 members of the American Institute of Decorators, manufacturers of furniture, fabrics, lamps and wallpapers.

Tossed Coolingly

A white rug was tossed coolly upon purple vinyl tile in Barbara Joseoff's "night and day" room. It was enhanced by an electronically devised vertical sunblind along the walls. The reversible blinds were white cotton on one side, purple moire on the other. An old-fashioned brass English crib with one side removed became a loveseat with a cushion of purple velvet.

GIVEAWAY IS FLOURISHING ON TV PROGRAMS

By WAYNE OLIVER

NEW YORK (AP) — The giveaway, which flowered and then withered on radio, has found fertile soil in television.

The giant jackpot, the mink coat, the refrigerator, the trip to Copenhagen or Capri, the 10-year supply of atomized cereal, the unsinkable kayak — all are blooming on TV as they did a few years ago in radio, but with pictures as well as sound.

The Federal Communications Commission stands by helpless to crack down, and performers on competing shows fume that "it's buying an audience," but the giveaways grow lusher and more numerous.

Couldn't Outlaw Them

The FCC attempted to outlaw giveaways on both radio and TV five years ago but its ban was voided by a federal court decision that was upheld by the Supreme Court seven months ago.

In radio, the producers and sponsors of giveaways could point to high audience popularity ratings and say, "Nobody loves them but the public." But on TV, at least at night, the only show in the top 10 ratings that has a giveaway angle is Groucho Marx's *You Bet Your Life*. But it serves mainly as a vehicle for his quips and is filmed in advance, with viewers aware the contestants have won or lost long before the telecast.

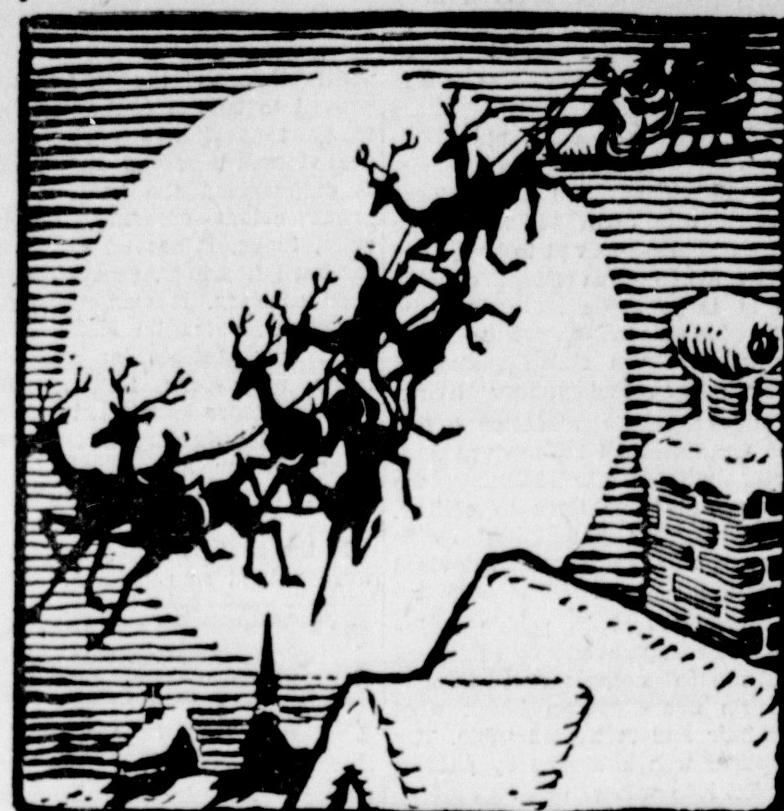

Many Big Shows

Network shows on which the giveaway angle is predominant include *The Big Payoff*, *On Your Account*, *Name That Tune*, *Strike It Rich*, *Dollar a Second*, *Beat the Clock*, *Two for the Money*, *Feather Your Nest*, and video versions of two old radio standbys, *Stop the Music and Break the Bank*.

The latest *Shower of Stars* from Hollywood on CBS-TV might more aptly have been described as "Shower of Cars." The show was an almost continuous commercial on the auto sponsor's new models. But the appearance on the program of Ed Wynn served to remind viewers that one of the great comedians of our time isn't seen often enough on TV.

Low Speed Saves Gas

By MARY LOU CHAPMAN

We don't know who handles the finances in your family, but if your husband has been unhappy over car gasoline bills lately, here are tips the whole family can use while driving. You might try them for one month and see if that bill doesn't shrink.

Keep your speed moderate, both on the highway and in the city. Recent tests showed that at a steady speed of 30 miles an hour, gas mileage was very good. At 40, gas mileage was 10 per cent less. At 60 m.p.h., it was 31 per cent less, and at a steady speed of 80, gas mileage was 52 per cent less. One 165-mile test showed that by driving around 50 instead of 70 on the open highway, you can save one gallon or more out of every four.

Avoid "jet-propelled" starts. Those are the main things to

remember. The biggest point made in these tests seems to be this: that of all the factors that influence how much gas your car uses, one of the most important is the driver.

Shift from lower gears as soon as possible, because traveling in low gears at high speeds consumes gas. Stay in low long enough to get smoothly under way, but don't keep the car in low beyond 15 m.p.h. Shift to second at 15 m.p.h. and into high at 20 m.p.h. Don't accelerate too heavily, remember.

Avoid repeated accelerating and braking. In the city, where accelerating and braking is so frequent, gas consumption can still be cut by using "planned driving," that is, using a safe steady speed. It's just a matter of timing—looking ahead as you drive, judging the speed of the traffic flow, and gauging the approximate setting of the traffic lights. If you do a good job of timing, plenty of extra stops and starts can be avoided. These tests we mentioned show that planned driving in traffic can save you one gallon out of every three.

Avoid "jet-propelled" starts. Those are the main things to

SAYS ISLANDS MUST NOT FALL TO COMMUNISTS

By JACK BELL

WASHINGTON (AP) — Sen. Knowland (R-Calif.) said Saturday the United States "must not permit" Nationalist-held islands off the China coast to fall to the Communists, lest this open the way for a Red assault on Formosa.

Knowland, the Senate Republican leader, spoke out in an interview after the official Chinese Nationalist News Agency reported yesterday the Reds have moved a paratroop division into position for possible attack against Nationalist outposts off the coast.

The Californian said he does not believe this country would fight to defend the offshore islands they probably would not attack.

should develop that the Communists are mounting a major effort to move out into the Pacific and seize these outposts for an assault on Formosa, we must not permit them to fall.

Argument On Islands

"Any movement of the Communists out into the Pacific would not be to the advantage of our interests. Theoretically, of course, the loss of the island of Quemoy and the Tachen would not necessarily be a fatal blow to Formosa. But the psychological advantage the Communists would gain all over the world would be tremendous."

Knowland said he felt that if the Chinese Communists were aware this country would fight to defend the offshore islands they probably would not attack.

CHICK TAKES PARK VISITORS ON BIRD WALKS

WASHINGTON (AP) — Only occasionally do folks twit the chief naturalist of the National Capital Parks about his name and that's sometimes when he takes them on bird walks.

W. Drew Chick, born in San Francisco and a graduate in forestry from the University of California, has been with the National Park Service 20 years and in Washington for 11. From April through November he and three other park naturalists are busy as bird dogs escorting various groups of local nature lovers and tourists, young and old, on bird observations, barge trips on the old Chesapeake and Ohio canal and explorations of the trails, flora, fauna and geology in the 780 reservations totaling some 45,000 acres in and around the Washington area.

The reservations were used by Pierre L'Enfant as parks when he laid out the capital city. The White House is on reservation No. One, Lafayette Park, across the street, and a little triangle at Tenth and Pennsylvania Avenue in downtown

Sugar Heir To Get Out Of Jail Soon

SANTA ANA, Calif. (AP) — Jailers say sugar heir Adolph Spreckels II, 43, will get time for good behavior lopped from his 30-day jail sentence for wife beating.

He should be released about 8 a.m. Thursday, Thanksgiving Day, and should be able to eat turkey—instead of soup, the jail fare—for Thanksgiving dinner. Jailers said he is getting five days off for model behavior.

He was convicted of beating his former wife, Kay Williams, at his Balboa home last year and started the sentence in Orange County Jail Nov. 1 after appeals failed.

Washington are others.

Sometimes there are half-day or all-day caravans to scenic and historic areas farther away by chartered bus or private car. The quartet of senior naturalists also conducts a summer junior naturalist training course, which has just completed its fifteenth year with a registration of 650 youngsters.

The outdoor activities are only a small part of the over-all program. During the winter there are school assembly talks, lectures before adult groups and visits to the Lincoln Museum and the House where Lincoln died, the Washington Monument, the Lincoln and Jefferson

LOCK HAVEN HAS ITS WORST FIRE

LOCK HAVEN, Pa. (AP) — A million-dollar fire that funneled through an old brick building and sent up billowing columns of smoke damaged four stores and for a time threatened an entire block of the main business section yesterday.

Some 300 volunteer firemen called from nearby communities battled more than seven hours before controlling the worst blaze in city history. At least 25 persons were treated at Lock Haven Hospital, mostly for smoke inhalation.

Two firemen suffered injuries when a ladder collapsed and when another ladder fell.

An undetermined number of families living in apartments above the four stores were routed.

Fire Chief Harry Cakesey said the losses would be "a minimum of a million dollars" but declined to give any further estimate.

"That's the interesting part of the job—there's no let up," Chick told me. "We keep going from one thing to another." He estimates that about four million persons visit those six historic spots each year.

U.S. TO BUILD RADAR STATIONS ALONG BORDER

WASHINGTON (AP)—The United States has assumed the job of building the "distant early warning" line of radar stations along the Canadian-Alaskan rim of the continent.

An announcement made simultaneously Friday in Washington and Ottawa said the two governments have agreed:

1. "To proceed with the construction of the perimeter warning net for enemy bombers, whose cost is officially estimated at about one billion dollars."

2. That "although both Canada and the United States will participate in the project, responsibility for the work of construction and installation should be vested in the United States."

Defense Department officials said sufficient money is available in the current budget to go ahead with the project and that additional money will be requested in the next budget.

"Executive Agent"

Some circumstances of the announcement were unexplained.

First questions about details were directed to official Air Force spokesmen, who said they had not seen the announcement until it was handed reporters although Defense Department officials said the Air Force was the "executive agent" of the government for handling the

TURKS ANGERED OVER AIRMEN'S 'INSULT TO FLAG'

ISTANBUL, Turkey (AP)—Turkish-American friendship appears to have weathered a minor crisis involving the arrest of four U.S. servicemen charged with tearing down and trampling the Turkish flag.

The announcement was much like one issued last Sept. 27, outlining two existing or building northern radar systems, saying there was agreement on need for a distant early warning systems. That announcement said "the basis of participation by the two countries in the construction and operation of the line, and the division of costs," would be determined later.

Talk of Planning

Friday's coordinated announcements spoke only of "planning" for the distant line.

However, in September 1953, the Western Electric Co. announced it was starting work, under a contract with the U.S. Air Force, of the first experimental units of a "distant early warning line." That announcement said the project was started in December 1952, and that the first units were being installed on Barter Island, off the northern coast of Alaska.

In response to questions, an Air Force spokesman said Friday the first experimental units have been linked to the continental defense system.

Four Main Elements

Friday's announcement said:

"Four main elements of a warning and control system now appear to be practicable, namely: The main control and warning radar installations in the populated part of Canada (the jointly operated Pinetree network) and in the United States; a series of the complete warning and control system in Canada to be extended to seaward on both flanks of the continent by the United States."

The announcement did not explain this latter reference. However, it presumably referred to airborne and seaborne radar. Also, the United States is constructing off its own eastern coast a series of radar stations mounted on towers standing in the sea at points up to 100 miles off the coast.

SAYS PEOPLE DEMAND VOTE ON MCCARTHY

By JOHN CHADWICK

WASHINGTON (AP)—Sen. Morse (Ind.-Ore.) said Saturday that a resolution to censure Sen. McCarthy (R-Wis.) would be reoffered in the next Congress if necessary but that "the American people are going to demand a vote" by the Senate.

Many Accusations

Hurriyet of Istanbul, Turkey's largest circulation paper, commented that repeated incidents of "general indignation" in Turkey.

The servicemen charged with tearing down and trampling the Turkish flag—a charge which carries a penalty of up to three years in prison. They contended the flag was torn down accidentally in a playful scuffle among themselves.

There has been no official Turkish reaction. Turkish officials are traditionally close-mouthed. But Turkish newspapers took up a cry of "arrogance" and "colonialism."

Predicts Vote

A friend of McCarthy's, Sen. Mundt (R-SD), likewise indicated in a separate interview he expects the censure issue to crop up in the next Congress if this one doesn't

act. But he predicted a vote within a week or 10 days after the Senate reconvenes a week from Monday.

"I'd think from McCarthy's viewpoint he would be glad to get it washed out," Mundt said. "If it isn't, it will just be reactivated at the next session."

Get Doctor's Report

"I think the Senate will get to a vote," Watkins said.

With McCarthy hospitalized for the treatment of an injured elbow, the Senate voted 76 to 2 Thursday to recess its temper-fraying debate on the censure issue until Nov. 29. The session began Nov. 8.

The Senate received a report from Dr. George W. Calver, the Capitol physician, that McCarthy had developed "traumatic bursitis" in his right elbow and could suffer "permanent injury" if he failed to stay in the hospital until Nov. 29.

McCarthy's condition was reported "a little improved" yesterday.

A doctor said the elbow bruise, inflicted when a well-wisher shoved it against a glass top table last weekend, had been aggravated considerably because the senator

probably continued to use the arm four or five days after his original injury.

President Eisenhower was reported yesterday by his press secretary, James C. Hagerty, to be maintaining a strictly hands-off attitude in the bitter Senate censure fight.

SAY RUSSIANS RESIGNED TO RE-ARMING PLAN

WASHINGTON, (AP)—The Soviet government apparently has concluded a policy reappraisal and decided against paying a high price in either concessions or threats to block Western rearming of West Germany, American officials believe.

Russia's latest moves to prevent the conversion of West Germany into a member of the anti-Soviet defense alliance are considered here obviously lacking in boldness and effectiveness.

This is taken to mean that in a sense the Soviet government is resigned to German rearmament. The interpretation is that the Kremlin may have reached this attitude because (1) it was unwilling to let Germany be unified on Western terms and (2) it was unwilling to threaten seriously use of military forces against the west.

Bahlen Dut Tuesday

U.S. Ambassador Charles E. Bahlen is due here from Moscow, probably tomorrow, for talks opening Wednesday with President Eisenhower and Secretary of State Dulles on Soviet policy and the state of relations between the United States and Russia.

'Rajah Of Cockroach' Awes Photographers

NEW YORK (AP)—The maharajah may never have learned how to do the rhumba, but he knew how to get his picture in the papers. A heavily bearded and mustached man, adorned with a turban strongly resembling a towel, appeared at a movie premiere and told photographers he was the maharajah of Barata.

He was quite a hit—and so were the two gorgeous ladies with him. Two days later it developed that the ladies were models. There is no such place as Barata. Barata is Portuguese for cockroach.

Des-France announced Saturday that in their view the Western Powers should come through with "early ratification" of the agreements to make West Germany a defense partner. They thus rejected a public offer by Soviet Foreign Minister Molotov to delay a European security conference he has proposed provided the Western Powers were willing to delay ratification of the German treaty.

Dulles and Mendes-France, winding up four days of talks here, said that once the treaties are ratified they would be ready to go into "adequately prepared negotiations" with Russia, but "not into improvised debates intended mainly for propaganda."

Oldsmobile Front View*

Entirely new front end styling marks the Oldsmobile for 1955. The Oldsmobile identification is maintained through chrome die cast block letters spaced across the upper bumper bar. Headlights are recessed and there is a new version of the famous Oldsmobile world emblem on the front of the hood. Contour of the front bumper has been redesigned to harmonize with the new styling. Parking lights are bullet-shaped. A wider rocket emblem is atop the hood.
